- Intercultural campus: Integrating international students through "Buddy Program" and "Shared Flat International"

Giessen & Friedberg & Wetzlar

- Historical sights and plenty of leisure opportunities

The THM offers excellent study options in lectures & seminars, lab work, study groups and practical internships. The "International Buddy Program" was the perfect opportunity for me to make new friends and improve my language skills. The contact between students and faculty members is great and the teachers are always open to help students!

Ettien Florence Assandé, Ivory Coast
